## Objective

Motivated Computer Science graduate with practical experience in software development and Netsuite customization seeking a software developer position to leverage my technical skills and contribute to innovative projects.

## Skills

**Programming Languages:** Java, Python, C++, C#, JavaScript/SuiteScript

**Web Development:** HTML, CSS

**Database Management:** SQL

**Enterprise Resource Planning:** Netsuite, Suitescript for customization and development

## Professional Experience

### **NETSUITE DEVELOPER/TECHNICAL CONSULTANT, BRIDGEPOINT CONSULTING; AUSTIN, TX – 2018 - 2020**

Created custom Netsuite implementations for diverse clients, enhancing their operational efficiency. Collaborated with cross-functional teams to deliver high-quality software solutions on time and within budget.

### **COMPUTER TEAM HEAD, WESTWOOD COUNTRY CLUB; AUSTIN, TX – 2017 - 2019, 2020 - PRESENT**

Managed the team's computer systems during swim meets, ensuring seamless operation and data management.

### **LIFE GUARD/SWIM COACH/FITNESS DESK, WESTWOOD COUNTRY CLUB; AUSTIN, TX – 2013 - 2018**

Worked as a team member to provide an enjoyable experience to club members, and maintain safety standards.
